Research Stipend Final Report

Name:

Date:

Project Title:

- 1) List dates you conducted research for this project at the State Archives and State Library of Florida facility in Tallahassee.

- 2) List collections you consulted during your research for this project at the State Archives and State Library of Florida facility.

- 3) Describe how your research activities for this project aligned with your original Plan of Work as described in your application. Include at least the following points:
 - a. Explain how you integrated information from the State Archives and State Library of Florida with material from other repositories and institutions.
 - b. Discuss the current status of your research and any products that have resulted from it.
 - c. Describe your progress toward and/or current plans for publishing or disseminating the results of your project (e.g., book, journal article, conference presentation, web resource, exhibit, curriculum module, lecture, documentary, etc.).
